

## Speaker Introduction

Dr. Lee Thomas is a “Business Doctor”. Over the past 40+ years he has successfully owned, managed, and exited 15 businesses in 10 different industries. They had individual annual revenues ranging from under \$50,000 to over \$8 million. They included 16 dental offices, 23 childcare centers, a plumbing/heating company, an automobile dealership, and 11 others. Now Lee uses his knowledge and experience to help people in career change who want to go into business, people in business who are stuck or want greater success, and people who want to exit their business successfully. He is a published author of two books.

Lee and his wife, Louise, have been married 42 years, and have 6 children, 12 grandchildren and 7 great grandchildren.
